- 05/01/23**      **King's Coronation**  
Members of the Committee discussed various ideas for celebrating the King's Coronation on 6<sup>th</sup> May 2023, and it was noted that £1,000 had been set aside in the budget for this. Suggestions included bunting and flags, a best dressed shop window competition, a commemorative bench, a framed picture of the King for each of the schools, the planting of a tree and an exhibition of schoolchildren's coronation artwork. It was felt there was a need to find out what the schools and churches were doing to celebrate the King's Coronation. Proposed by Councillor Finch and seconded by Councillor J Whittaker - **It was resolved that a recommendation should be made to Full Council that it should do the following for the King's Coronation:- (i) Purchase an inscribed commemorative bench for the Cemetery. (iv) Purchase two flags for the Market Place and Cemetery Lodge.**

- 06/01/23**      **Beacon**  
 At a meeting of the Combined Cemetery Environment Committee held on Monday 10<sup>th</sup> October 2022, it was resolved that the Clerk should:- (i) Get the consent from the current owner for the Council to have the Beacon and be allowed to move it. (ii) Ask North Lincolnshire Council if they were prepared for it to be sited where proposed on Yealand Flats. (iii) Obtain quotes for the existing beacon to be moved / a new beacon. He had sent an email to the current owner to see if they would allow the Council to move the Beacon to a new location, however he had not yet asked North Lincolnshire Council if it was prepared for it to be sited on Yealand Flats because they wanted to know the area of land which was required (this would need a site visit), and quotes were being obtained for the existing beacon to be moved / a new beacon. Proposed by Councillor J Whittaker and seconded by Councillor Finch  
**- It was resolved that the update on the Beacon be noted.**
- 07/01/23**      **Cemetery Lodge**

- 09/01/23**      **Boot Scrapers**  
 As a result of a problem with loose stone chippings from the path outside the Council Office and the Chapel of Rest being trodden into the buildings, members of the committee considered the purchase of two outdoor metal galvanised boot scrapers. They would cost approximately £10-20 each. Proposed by Councillor R Whittaker and seconded by Councillor Finch  
**- It was resolved that a recommendation should be made to Full Council to purchase two boot scrapers.**
- 10/01/23**      **Lawnmower**  
 The Groundsperson had expressed some concerns about the age of the current lawnmower and how long it would last, it had done a lot of work over the years and now needed constant maintenance and oil to keep it working. It was agreed that a new lawnmower should be purchased now and the old one used as a back-up. A new lawnmower would cost in the region of £500 -700 + VAT. Proposed by Councillor J Whittaker and seconded by Councillor Finch - **It was resolved that a recommendation should be made to Full Council to purchase a new lawnmower.**
- 11/01/23**      **Heater**  
 The storage heater in the office was not working, and the Clerk had been advised that it may be more cost effective to purchase a new storage heater rather than try and repair it, and it could cost up to £1,000 + VAT to do so. Proposed by Councillor J Whittaker and seconded by Councillor Finch - **It was resolved that a recommendation should be made to Full Council to purchase a new storage heater for the office.**

- 12/01/23**      **Table & Bench**
