EPWORTH CEMETERY REGULATIONS RELATING TO MEMORIALS

Authorisation for Memorials

No tombstone or other memorial shall be placed in the Cemetery and no additional inscription shall be made on a tombstone or other memorial without the permission of the Cemetery Manager. The Town Clerk is responsible for Cemetery management.

The Council will not allow any person the right to construct a crypt or vault or to have a kerbed surround in the Cemetery. This rule is made in accordance with The Local Authorities Cemeteries Order 1977 (S1 1977 No. 204), Paragraph 10(1)

Memorial Specification

Drawings and specifications (including provision for ensuring proper support and stability) of all gravestones, monuments and memorials and copies of all inscriptions proposed to be placed thereon, must be specified in either metric or imperial measurements and copies must be delivered to the Clerk, with the appropriate fees.

Every memorial must contain the number of the grave over which it is to be erected

Headstones must be placed at the head of the grave and shall be supported on all sections on a concrete bearer. **British Standard BS 8415**, construction using dowels and fixings; new memorials must be fitted to this standard (by a NAMM/BRAMM qualified Memorial Mason) repairs to memorials must also comply with this standard.

A memorial on the lawned section shall not be less than 50mm (2in) in thickness and shall not exceed 86cm (2ft10in) in height and 61cm (2ft) in width (including the base). The height of memorials shall be measured from ground level.

Materials

Memorials must be made of either marble, granite or a natural stone. No gravestones or monuments formed of Caen, bath or other soft stone or other material likely to perish or memorials of zinc, iron or other metal will be permitted to be fixed. The whole of the stones must be of the best quarried materials.

Moving of Memorials

No memorial or part of any memorial may be removed from any grave space without the written consent of Epworth Town Council.

EPWORTH TOWN COUNCIL

The Council reserves the right to re-fix, move, line up or otherwise alter the position of any memorial in the Cemetery as may be required.

Maintenance

Graves for which exclusive rights of burial have been granted and all gravestones, monuments and memorials thereon must be kept safe, tidy and in proper repair by the respective owner. The Council will not accept liability for the making good of memorials which collapse, or which are damaged by the fall of adjacent memorials. Any emergency work necessary in this connection will be recharged to the holder of the exclusive right.

The Council is allowed to remove any monument that becomes dangerous.

Memorials may only be brought into the Cemetery and work carried out in connection with the erection of memorials from 8.30am to 5pm Monday to Friday. No work outside these hours will be permitted without prior arrangement.

The above regulations apply to all internments at the time of burial irrespective of the time the plot was purchased.

In order to assist the Council in the management and maintenance of the Cemetery, no additional embellishments including solar lights may be placed in the Cemetery. The Council retains the right to remove any unauthorised items, solar lights, flowers, whether real or plastic, when untidy will be removed as will those that are placed other than in a single container included for the purpose on the headstone plinth.
