PUBLIC NOTICE

Safety Inspection of Memorials in Epworth Cemetery

NOTICE IS GIVEN that a safety inspection in Epworth Cemetery on Burnham Road in Epworth is to be carried out to assess the safety of all memorials.

The inspections are carried out on a 5 yearly basis to identify the memorials that are an immediate hazard or are unstable.

The inspection programme will start at the end of May 2024.

Where memorials are considered to be an immediate hazard the Town Council will place a notice at the grave and temporarily support the memorial where appropriate. The laying down of memorials will only be considered as a last resort.

The Town Council will make every effort to recover the costs of making memorials safe when carrying out work in default, from the memorial owner.

Should you have any queries or concerns regarding a memorial please contact the Town Clerk.
